### **Student News**

If you have textbooks to turn in, bring them to the main office. Do not give them to a teacher.

Check with your teachers to make sure you have no outstanding obligations. All financial obligations, textbooks, chrome books and library books must be returned before June 8.

Be sure to clean out your lockers. All lockers must be empty before you leave.

Students that have medications in the clinic, need to stop by at the end of the school day as soon as possible to collect them or they will be discarded.

There are currently 697 overdue items checked out of the library. PLEASE return these items -- books and calculators -- immediately.

2017-18 newly elected SCA officers need to stop by and see Ms. Keeler sometime today.

If you are interested in being a part of the yearbook staff for next year, it is not too late to complete an application. See Mrs. Laffoon in Lab 434 if you are interested or have questions.

If you are planning to take AP Chemistry next school year, please pick up a summer assignment from Ms. Barker in room 614 before you leave school this year.
